BASIS OF SERVICE

§ 70.10 Grading service.

Any grading service in accordance with the regulations in this part shall be for class, quality, quantity, or condition or any combination thereof. Grading service with respect to determination of quality of products shall be on the basis of United States classes, standards, and grades as contained in subparts B and C of this part. However, grading service may be rendered with respect to products which are bought and sold on the basis of institutional contract specifications or specifications of the applicant, and such service, when approved by the Administrator, shall be rendered on the basis of such specifications.

§ 70.11 [Reserved]

§ 70.12 Supervision.

All grading service shall be subject to supervision at all times by the responsible State supervisor, regional director, and national supervisor. Such service shall be rendered in accordance with instructions issued by the Administrator where the facilities and conditions are satisfactory for the conduct of the service and the requisite graders are available. Whenever the supervisor of a grader has evidence that such grader incorrectly graded a product, such supervisor shall take such action as is necessary to correct the grading and to cause any improper grademarks which appear on the product or containers thereof to be corrected prior to shipment of the product from the place of initial grading.

§ 70.13 Ready-to-cook poultry and rabbits and specified poultry food products; eligibility.

Only ready-to-cook poultry and rabbits and specified poultry food products

7 CFR Ch. I (1-1-04 Edition)

which are inspected and passed by the poultry inspection service of the U.S. Department of Agriculture or by any other official inspection system acceptable to the Department may be graded.

§ 70.14 Squabs and domesticated game birds; eligibility.

Squabs and domesticated game birds (including, but not being limited to, quail, pheasants, and wild species of ducks and geese raised in captivity) may be graded under the regulations in this part, only if they have been inspected and passed by the poultry inspection service of the U.S. Department of Agriculture or have been inspected by any other official inspection system acceptable to the Department.

§ 70.15 Equipment and facilities to be furnished for use of graders in performing service on a resident basis.

Such equipment and facilities shall include but not be limited to:

(a) An accurate metal stem thermometer.

(b) A drill with a steel bit to drill holes in frozen product for inserting the metal thermometer stem to determine temperature.

(c) Scales graduated in tenths of a pound or less for weighing carcasses, parts, or products individually or in containers up to 100 pounds, and test weights for such scales.

(d) Scales graduated in one-pound graduation or less for weighing bulk containers of poultry and test weights for such scales.

(e) Furnished adequate office space, a desk equipped with a satisfactory locking device, lockers or cabinets suitable for the protection and storage of official supplies and facilities suitable for graders to change clothing.
